About us ●

We are a family-owned business specialised in tapware, showers, sanitary ware & bathroom accessories for both corporate and individual clients since 1990.

Clients satisfaction, innovation, aesthetics and durability have always been our driving forces.

We aim at providing you with the best solutions for your bathroom thanks to our selection of products from renowned international brands which share our ADN and engagement towards a more sustainable world!

We also cater for the hospitality sector by offering an extensive choice of bathroom amenities which can be tailor-made according to the client's requirements.

Fralain is the sole representative of some leading brands like Huayi, Teorema, Kassel Sanitär & Oli for the Indian ocean region.

Specialised in their domains from mixers to flushing systems, from copper to stainless steel, from domestic houses to public areas, these family businesses share our values and allow us to provide you with a very diversified range whether you are looking for functionality, durability, aesthetics or sustainability.

Bathroom solutions are offered within these ranges at various prices and under strict norms in terms of quality and functionality. Comfort is key for this living space where you start and end your days!

We have in our showrooms and on our online platforms, a selection of items which are available locally. For professionals in this field, we can also provide them with thousands of alternatives from Italy, China, Spain and Portugal.
