# About us ●

Family business operating in 2 mains sectors: bathroom & kitchen and hotel supplies; we are specialised in tapware, sanitary ware, amenities & accessories since 1990.

Client satisfaction, innovation, aesthetics and durability have always been our driving forces.

We aim at providing you with the best solutions for your bathroom, project or hotel, thanks to our selection of products from renowned international brands & factories which share our ADN and engagement towards a more sustainable world!

We collaborate with some of the world most famous specialists in their domains.

From mixers to flushing systems, from copper to stainless steel, from domestic houses to public areas, these family businesses share our values and allow us to provide you with a very diversified range whether you are looking for functionality, durability, aesthetics or sustainability.

Bathroom solutions are offered within these ranges at various prices and under strict norms in terms of quality and functionality.  
Comfort is key for this living space where you start and end your days!

For professionals in this field, we can provide you with thousands of alternatives from Italy, France, China, Spain, Turkey and Portugal.
