## Cleaning tips:

- Dry regularly & clean with gently clothes and warm water
- Use neutral products like lemon, diluted vinegar and bicarbonate

- Avoid using abrasive cloths, scrub sponges, scouring pads
- Don't use abrasive cleaning agents containing acidic agents

In case your product has been stained with calcium or dirt for a long time: we recommend using this natural product of the brand Cleanera Mauritius. The paste is sold with a sponge to make it foam for deep cleaning without damaging the surface. More info on their FB page.
